

# BETTER PLASTICS ENGINEERING ROAD SHOW 2008

Cromwell ■ Charlotte ■ Itasca ■ Eagan ■ Mexico City

November 10, 2008

## Location

Crowne Plaza  
100 Berlin Road  
Cromwell, CT 06416  
Tel: 860-635-2000  
[www.CrownePlaza.com](http://www.CrownePlaza.com)

8:00 - 9:00	<b>Registration &amp; Welcome Breakfast</b>
9:00 - 9:05	<b>Introduction</b> Al Duff, Regional Sales Manager
9:05 - 10:00	<b>Digital Prototyping – Experience It Before It’s Real</b> Jim McCurdy, Territory Sales Executive - Mentor, Autodesk
10:00 - 10:45	<b>The Importance of Material Properties &amp; Testing for Injection Molding Simulation Accuracy</b> Scott Grant, Moldflow Laboratory Manager
10:45 - 11:00	<b>Coffee Break</b>
11:00 - 11:30	<b>Determining Which Level of Injection Molding Simulation is Right for You</b> Shawn Gedman, Applications Engineer
11:30 - 12:00	<b>Moldflow Products Update and Vision for the Future</b> Brian Sather, Technical Marketing
12:00 - 1:00	<b>Lunch</b>
1:00 - 2:00	<b>Best Practices for Plastics Product Development</b> John Twerdok, Director Strategic Alliances
2:00 - 2:30	<b>Improving the Accuracy of Structural FEA of Injection Molded Parts</b> Shawn Gedman, Applications Engineer
2:30 - 3:15	<b>ANSYS Solutions for the Plastics Industry</b> Glenn Longwell, Sr. Account Manager & John Higgins, Application Engineer, ANSYS
3:15 - 3:30	<b>ANSYS Application Using Moldflow Structural Alliance</b> John Higgins, Application Engineer, ANSYS
3:30 - 3:35	<b>Closing Remarks</b>
